

CrewCast Brand Guide

Forecast your crews. Build with confidence.

1. Brand Essence

Brand Purpose: To empower self-performing contractors with clarity and control in forecasting manpower and scheduling projects.

Brand Promise: CrewCast helps you see what’s ahead — aligning your people, your plan, and your projects.

Mission: To simplify manpower forecasting and scheduling through one unified, intelligent platform.

Vision: To become the construction industry’s leading platform for labor intelligence.

Core Values:

Clarity	We make complexity simple through intuitive tools and real-time insight.
Trust	We deliver accuracy and reliability field teams can depend on.
Unity	We bridge the gap between the field and office — creating one source of truth.

2. Logo Guidelines

Primary Logo: CrewCast wordmark in Benton Sans Bold with helmet icon in Electric Amber (#FFC107).

Secondary Icon: Circular emblem with helmet silhouette, used for app icons and social media.

Logo should always appear on white or Construction Blue (#1F3B57) backgrounds.

3. Color Palette

Construction Blue	#1F3B57
Electric Amber	#FFC107
Slate Gray	#6E7C7C
Concrete White	#F9F9F9

4. Typography

Primary Typeface: Benton Sans (Bold, Regular, Medium).

Used for all brand communications, digital and print materials. Maintain generous whitespace and clarity.

5. Document Templates

Standardized PowerPoint and Word templates follow the CrewCast visual system:

- Use Construction Blue as the primary background color.
- Accent elements (lines, headers, bullets) use Electric Amber.
- All text in Benton Sans; bold for headings, regular for body.
- Include CrewCast logo in header or footer on each page.

6. Logo File Formats

Independent logo files are provided in both .PDF and .JPG formats for print and digital use.

Use high-resolution PDF for print, and JPG for web or presentations.
